Move over Lassie... Meet Reveille!

Reveille, the first lady of Aggieland, is the official mascot of Texas A&M University. She is the highest ranking member of the Corps of Cadets, and she is a Five-Star General.

Reveille is the most revered dog on campus. Company E-2 has the privilege of taking care of her year round. A sophomore in the unit is designated the mascot corporal and has ultimate responsibility for her care. Reveille accompanies the mascot corporal everywhere, including to class and on dates. During the school year, Reveille is professionally groomed once a week!

Reveille is a highly cherished mascot and receives only the best. If she is sleeping on a cadet's bed, that cadet must sleep on the floor. Cadets address Reveille as "Miss Rev, ma'am." Tradition has it that if she is in class and barks while the professor is teaching, the class is to be immediately dismissed. Reveille is considered part of the student body, and is not allowed to be alone at any time. She even has her own student ID and cell phone!!

There have been 8 Reveilles to date. The first dog was snuck in to the dorms in 1931 and barked when reveille was sounded the following morning. And a long standing, beloved tradition was born. Upon her death, Reveille is buried in a special cemetery located outside the north end of Kyle Field. She is placed facing the south end zone and the scoreboard. After the addition to Kyle Field was built at the north end blocking the view of the scoreboard, a small scoreboard was placed outside the stadium, named the Reveille Scoreboard, so the tradition could live on.

No greater loss, no better friend ...

Our Condolences to...
