

Lady's Story

Lady, an 8-year old smooth sable, stirred quite a bit of interest when she was rescued and placed in a foster home because not many smooth coated Collies come in to Rescue. After discovering Lady could not hear, we knew she needed a special home. Today, Lady is one happy lady. Her loving, new home has two other Collies, Shemp and Abby, to show her around the fenced yard and to teach her that the pond is off limits!
